CRYSTAL/ PEARL

VERTICAL MULTI-DECK

- **CRYSTAL** counts a wide range of models and versions, available in many lengths ,heights and widths. Special and innovative solutions distinguish the versions for the sale of dairy products, fresh meat, fruit and vegetables.
- **PEARL** has a new design which lends it a harmonious and even slimmer shape, whereby the product displayed is brought to a huge degree of visibility. it symbolises our hardworking and expert organisation in the world of commercial refrigeration, dedicated to sustaining and promoting the protection of the environment and of the natural world through the development of products with low energy consumption.
